ISLAND POTATOES,

Grown From New Zealand Seed.

Island Potatoes have heretofore given but scant satisfaction to local consumers. This has been partly attributable to the fact that they were in the hands of growers of small means who desired to realize on their crops as quickly as possible, to obtain which potatoes have invariably been harvested in an unripe condition. The undersigned proposes to market none other than produce in full maturity. Our Potatoes are grown from the Best New Zealand Seed, and from lots now coming to market are pronounced to be superior to any imported article. Shipments are received by every week's steamer and will be sold at special rates to the trade.
